2013 VINTAGE CHART

(updated January 2013)

Vintage charts are, by necessity, general in nature, and provide an indication of a region's overall performance in a given year. This chart includes quality ratings and drinkability evaluations for most vintages that are currently available in retail stores and at restaurants and for selected older vintages. A score range indicates preliminary analysis based on barrel samples and/or a limited sampling. "N/R" means not yet released. More comprehensive vintage charts accompany our annual tasting reports and are available to website members at www.winespectator.com/vintagecharts.
