

2019 VINTAGE WINES

2019

AMARONE & BRUNELLO “LIMITED EDITIONS”

It's time to “bottle” your 2019 vintage Amarone made exclusively from Corvina, Rondinella and Molinara grapes and Brunello made exclusively from 100% Nebbiolo grapes infused with sulfites.

Aged two years in French oak barrels, then bottled and allowed to age an additional two years in the bottle under ideal conditions, this wine promises to become a classic and to only get better with age and you proudly made it yourself.

The vintage will be **limited to 50 cases** of each and will be offered on a first come, first serve basis at a cost of **\$240 per case**.

Those who choose to participate in this historical undertaking will be invited, along with their families, to attend an exclusive tasting party when the aging process has been completed.

So don't miss this opportunity.
